

COMMUNITY PHARMACY FOUNDATION
COMPLETED GRANT SYNOPSIS

Pharmacy Ethics Online Information Center
Rxethics.org
Jesse Vivian

Wayne State University, Detroit, MI

Objectives	
1) To get pharmacy ethics research papers organized, formatted and ready to be published on a website. 2) To establish rxethics.org as a website for posting student research papers	
Methods	
Design	<ul style="list-style-type: none"> • The name “Rxethixs.org” was reserved and space made available on a Wayne State University server. • Papers that had been saved as e-files for the past three years were formatted for a uniform look and uniform citation forms. • Papers were reviewed and reformatted by students, with suggestions as to publish-ability. • A clerk was hired to post completed papers on the website.
Study endpoints	<ul style="list-style-type: none"> • All applicable pharmacy ethics research papers from the past three years of a pharmacy ethics. • The site is up and working
Results	
<ul style="list-style-type: none"> • Goals for this aspect of the project were accomplished. 	
Conclusion	
Students taking the course in this current semester are using the rexthics.org website for ideas for their research projects.
